

Gladewater ISD

Health Services

Telehealth Services

Telehealth services are available to Gladewater ISD students and staff! Through our partnership with GoodSide Health our students can be treated for Strep, Flu, and COVID-19, as well as sore throat, headache, earache, common cold, upset stomach, rash, pink eye, lice, etc. Age appropriate mental health screenings can also be provided with parental consent.

Bears will be seen by a medical provider via video on-demand telehealth services, and prescriptions can be filled at your pharmacy of choice.

Access to telehealth services is as easy as 1, 2, 3!

1. [CLICK HERE](#) to register. For registration assistance, call 682-267-1793
2. Call your campus nurse for a Telehealth appointment. Appointments will be made for regularly scheduled school days from 8:30 am - 3:30 pm.
3. Arrive at your students campus and inform the receptionist of your Telehealth appointment. The receptionist will notify the campus nurse and she will call you back shortly or come out to your vehicle.

Goodside Cares

The final cost of a visit depends on your health insurance. You may be responsible for a copay, deductible, or coinsurance. For questions about cost, send us a question at [gsh.co/billing-inquiries](https://www.goodsidhealth.com/billing-inquiries) – or – contact your health plan to learn more.

Goodside Health also has the Goodside Cares program to provide financial assistance for families when needed. Learn more and apply for help at [gsh.co/goodsidcares](https://www.goodsidhealth.com/goodsidcares).
