

Instructions for Accessing Accelerated Reader

In order to know if a book qualifies as an AR book, parents/students can check by going to www.arbookfind.com .

The screenshot shows a web browser window with the address bar displaying "arbookfind.com/UserTy". The page header includes the "RENAISSANCE" logo and a link to "Español". The main content area is titled "Welcome" and features the "RENAISSANCE Accelerated Reader Bookfinder™" logo. A large green magnifying glass icon is positioned to the right of the text. The text describes the search capabilities of the tool, mentioning criteria like ATOS book level, Lexile™ measure, and more. Below this, a section titled "United States" asks users to identify themselves as a Student, Parent, Teacher, or Librarian, with radio buttons for each option. A blue "Submit" button is located at the bottom of this section. At the very bottom, there is a link to "Watch this brief overview!" and a footer with copyright information for Renaissance Learning, Inc.

They can take tests from home by going to the Gladewater ISD website. www.gladewaterisd.com

Once on the website, they will need to select the Weldon Elementary page.

Click on Parents and Students, then Student Educational Links.

Here they should see a link to Renaissance Place.

Renaissance Place

Once they have gotten to that page, they use their first initial & last name as the username and the password should be their lunch/school ID number.

If they enter the password incorrectly 3 times, it will lock their account and they will need to email me so that I can unlock it in order for them to gain access. (harrels@gladewaterisd.com)

If you have any further questions or difficulty gaining access, please let me know. Thank you.

Sincerely,

Shelli Harrel

Librarian
